

Dear Sister Shizuko,

HARMONY

Amidst all the chaos in the world, Man seeks HARMONY

That is the overwhelming call of Mankind to all....

Harmony is defined as a combination of simultaneous musical notes

In a chord; unity of purpose; internal calm and tranquility

SERENITY now as we strive to bring harmony in our lives

IT CAN BE FOUND:

In a quiet home in a small village filled with love of family

In a musical recital as the orchestra practices each instrument

Bringing unity to a masterpiece

In a studio as a painter uses a palate to merge colors and lines

Bringing life to a landscape or figure

In a relationship, two parties seek love and understanding

Bringing joy and fulfillment in their marriage

At a time when the world seems to be falling apart, what we need is HARMONY

Which is displayed in Sister's Sue unique artistic creation; a combination of figures, lines and colors

Every trace and every color represents a feeling and emotion; every line speaks from her heart.

It resonates to the viewer like me, her message of True Love and Understanding which is so necessary

In our daily lives.

She expresses through her painting Man's Universal desire for Peace in a troubled world filled with anguish, pain and suffering.

She allows the viewer to dwell in her human emotions of Forgiveness, Love and Empathy for others, They are cornerstones in our lives to make a Better world for us all.

Thus, her painting brings to life that message as we seek a Better tomorrow with Peace, Love and Hope In her mind as an artist. She establishes HARMONY in her expression of lines and figures as she looks At life through her brush and her canvas

SHIZUKO GREENBLATT has succeeded in creating another Masterpiece

As she brings to the audience, her innermost feelings and expressions

Making the viewer one with her in her portrayal of HARMONY

I am so proud of her work as she adds another dimension to her paintings and establishes another feather in her cap of achievements

Which makes viewers like me marvel at her talent and ability

CONGRATULATIONS! Sister Shizuko for your GIFT

And my piece of writing, I present to you as my gift this Christmas

MERRY CHRISTMAS MY DEAR and A HAPPY NEW YEAR!

With love and gratitude,

Raqui
